- Repair Facility Contract (CS-125). If you do not have a repair facility at the location where you will be licensed, you must provide a contract with a repair facility within 5 miles of your dealership. The contract must include Maryland State Police Inspection if applicable.
- Once we have received your completed application and the other required documents above, we will assign an inspector to your application. The inspector will contact you to set up a time to come inspect your property. Next Steps

Once your business has passed the inspection process, you will need to complete the following steps and pay the appropriate fees:

- ERT Contract. All new licensees are required to contract with an Electronic Registration and Titling (ERT) provider. A copy of the ERT contract is required to be submitted to our office. For vendor information please visit www.mva.maryland.gov/Business-Services/ert.html.
- Surety Bond of Vehicle or Trailer Dealer (CS-067A). The bond required is based on the number of the vehicles you sold or is projected to be sold. If you need clarification on how much of a bond to obtain, please contact the Business Licensing office. The bond must be in the full name of the dealership including trade name or doing business as name. It must reflect the full name of all officers, partners, or owners exactly as shown on the application. The bond must also be signed by all officers, partners, or owners.
- Liability Insurance. You must submit a Certificate of Insurance to show proof of Liability Insurance.
- Workers’ Compensation. If you have Workers’ Compensation Insurance, you must submit a Certificate of Insurance to show proof of Workers’ Compensation Insurance. If you are claiming an exception from providing Worker’s Compensation Insurance for your employees, please contact the Worker’s Compensation Office at 410-864-5100 or visit their website at www.wcc.state.md.us to obtain information and the appropriate forms for businesses who do not provide this type of coverage.
- Traders License. A copy of the trader’s license obtained from the Circuit Court in the jurisdiction where your business is located is required.
- Use and Occupancy Permit. Is required by applicants using a trailer as an office.
- Franchise Approval from Manufacturer. New Vehicle Dealers must provide verification of franchise agreements from each manufacturer. A manufacturer must also be licensed with the MDOT MVA to have its products sold by a dealer in the State of Maryland.

Chapter 01 Dealers and Salesmen

.01 Dealer Licensing and Registration.
A. The Administration may refuse to grant a license to any person as a dealer or may suspend, revoke, or refuse to continue the license of a dealer already issued, unless meeting the requirements contained here.
B. A person applying for a dealer license shall submit the application on forms approved by the Administration, along with the fee as set forth in COMAR 11.11.05.
C. A dealer license shall be issued for a 2-year period.

.02 Location Requirements.
A. Each location shall be subject to inspection by an authorized representative of the Administration before approval of application for dealer registration.
B. Following approval of the application, the location shall be maintained in accordance with the applicable provisions of Transportation Article, Annotated Code of Maryland, and the regulations promulgated by the Administration. Licensees are subject to reinvestigation by authorized representatives of the Administration.
C. Only one license for the type of vehicle being offered for sale will be permitted at any one location, and once the location has been licensed, it may not be subdivided for the purpose of establishing other businesses, under separate licenses for the same type of vehicle being offered for sale, without the prior approval of the Administration. This prohibition also applies to a licensee doing business under more than one corporate structure.
D. A dealer may do business in a name or under any title or designation other than the corporation name, provided that the title or designation is not misleading. A trade or corporate name that falsely states or implies that a dealer has a special relationship or connection with a manufacturer that other dealers do not have is misleading, and an example of a title or designation that may not be adopted by a dealer. The dealer's application for license shall state the full corporate name and all "trading as" or "doing business as" names. Example: ABC Pontiac------GMC------Nissan------Volvo, Inc.; T/A ABC Volvo, T/A ABC Nissan, T/A ABC Pontiac------GMC.
E. A dealer may hold multiple licenses, for example, new or used vehicle, motorcycle, and trailer dealers' licenses, provided that all licenses are issued in the same dealership name.
F. The dealership shall face, adjoin, and be fully visible from an improved street or highway that is accessible to the public and that is identifiable by name or postal number. The street or highway shall be used by the public for vehicular travel.

G. The location shall be of a size to adequately and safely permit the display of a minimum of ten vehicles and space for customer parking.

H. The location shall meet all local zoning regulations.

I. The location shall be fully lighted.

J. The display and customer parking areas shall be adequately surfaced with an appropriate covering, subject to approval by the Administration.

K. The additional locations shall be inspected and approved by the Administration.

L. Additional locations shall meet the minimum standards set forth in applicable provisions of the Transportation Article, Annotated Code of Maryland, and the regulations promulgated by the Administration.

M. Additional locations may use registration plates issued to the primary location provided the trade name and ownership are identical to that of the primary location.

N. Signs.
   (1) Appropriate dealership signs shall be permanently affixed.
   (2) The signs shall be of a size as to make them reasonably legible from the street or highway.
   (3) The signs shall clearly identify the business conducted at the dealership and shall adequately direct the customers to the dealership office.
   (4) As to wholesale dealers, a sign is not required. However, if a sign is displayed, it:
      (a) Shall be displayed at the dealership entrance;
      (b) May not be larger than 6 inches in height and 18 inches in length; and
      (c) May not contain any language which implies the dealership will sell to or exchange vehicles with a retail buyer.

O. As to wholesale dealers, the location shall be in a permanent building and the space used shall be:
   (1) Owned or leased by the wholesale dealer;
   (2) Regularly occupied and exclusively used by the wholesale dealer for dealership purposes.

.03 Office Requirements.

A. The dealership office shall be housed at the dealer's fixed location and in a substantial building adequate and appropriate for the business so conducted.

B. The dealership office shall be of sufficient size to accommodate the customers, and shall be equipped with office furniture, such as desk, chairs, and filing cabinets, and electricity, lighting, heat, and telephone, in order to reasonably conduct the dealership business.

C. A current trader's license shall be issued by the political subdivision of each location.

D. This license shall be displayed on the premises of the dealer in a conspicuous place.

.04 Exemptions.

A. If a location is otherwise adequate and appropriate, the location requirements outlined in Regulation .02F, G, I, J, and N of this chapter may be waived for wholesale dealers, for new trailer, boat trailer, motorcycle dealers, and for any person licensed as a dealer to sell
only fire, rescue, and emergency medical motor vehicles, who shall have the privilege of 
assigning manufacturer's certificates of origin and to issue temporary tags upon filing 
with the Administration a written franchise agreement from the manufacturer of the 
vehicles for which the dealer claims a franchise.

B. Once licensed as a dealer to sell fire, rescue, and emergency medical motor vehicles, the 
dealer shall be prohibited from selling any types of vehicles other than fire, rescue, and 
emergency medical motor vehicles until the location requirements in Regulations .02 and 
.03 have been met.

C. Manufacturers and distributors are exempt from location requirements for the purpose of 
securing Class 1A registration plates.

D. The registration of a dealer in the names of two or more persons as partners, or otherwise, 
may not require a reinspection on a change in ownership as long as one person named as 
a partner or co-owner remains as the owner, part-owner, or, in a corporation, as one of its 
legal officers.
