

Did you know you can request your birth certificate from your local health department?

Same day service is available at local health departments in all jurisdictions, **EXCEPT** Baltimore City and Baltimore County, for individuals who were born in Maryland after 1939 and have a valid, unexpired, government-issued photo identification.

- Child’s Birth Certificate: Can only be obtained by parents listed on the birth certificate or legal guardians (must provide proof of guardianship).
- Adult Birth Certificate: Can only be obtained by the person named on the certificate or the parent of the person named on the certificate.

If you live in Baltimore City or Baltimore County, or were born before 1940, same day service is available at the Division of Vital Records, 6764-B Reisterstown Road, Baltimore, MD 21215.

Locations, phone numbers, hours of operation and certificate fees for local health departments are listed below:
