

Application – Tag Return

Please print and fill out all information. Do not cancel your insurance for this vehicle until you receive the receipt.

Maryland Vehicle Law requires that you notify the MVA of any change in your address within thirty days. If necessary you may request a Maryland address change on the MVA's web site at www.MVA.Maryland.gov, at an MVA Kiosk, by calling the Customer Service Center (CSC) at 410-768-7000, by visiting any MVA full service office or by mailing a completed VR-154 Application for Maryland Change of Address form to the address indicated.

Note: Registration plates returned for cancellation may be eligible for a refund if:

- The registration plates and sticker have never been used (sticker NOT affixed to plate) and are returned during the current registration year.
- Registration plates with affixed sticker that have been used and returned with the registration card during the first year of the vehicle's multi-year registration. (Only the second year registration fee may be refunded.)

Registration plates returned for cancellation where substitute plates and/or sticker have been issued or registration plates used and then returned with less than one year remaining before expiration are not eligible for a refund.

Receipt Options:

Option 1 – Please send confirmation of registration cancellation receipt to email address listed below.

Email address: _____ @ _____ **(Please Print)**

Option 2 – Please send confirmation of registration cancellation receipt to postal address listed below.

Please complete in full the information requested. This will help expedite the request.
