

Application/Certification for Issuance of Farm Tags

Farm Vehicle means a vehicle that is owned by a farmer and is used only in the farmer's business and about the farmer's home and in hauling farm products and the labor, supplies, equipment and other materials necessary for the operations of the farm.

GVW means Gross Vehicle Weight.

A Farm Truck:

- Must have a minimum of 6,000 lbs. GVW rated
- Must show a minimum of 10,000 lbs. GVW on registration

A Farm Tractor:

- Must be registered at a minimum of 40,000 lbs. GVW and maximum of 65,000 lbs. GVW.

A Farm Semi Trailer:

- Must be registered at a minimum of 40,000 lbs. GVW and maximum of 65,000 lbs. GVW.

A Farm Trailer:

- Must be registered at a minimum of 3,000 lbs. GVW and maximum of 20,000 lbs. GVW.

Type of farm tag applying for:

Truck _____ GVW	Tractor _____ GVW	Semi Trailer _____ GVW
--------------------	----------------------	---------------------------

Trailer - Select a GVW below			
3,000 GVW	5,000 GVW	10,000 GVW	20,000 GVW

Make of Vehicle	Title Number	VIN Number
