

Mobile Driver's License (mDL) Terms and Conditions

These Terms and Conditions apply when you add a Driver's License or Identification Card issued by the State of Maryland ("Credential") through the Maryland Department of Transportation Motor Vehicle Administration (MDOT MVA) to an application ("Digital Wallet") that will allow you to present the digital or mobile form of your Credential ("mDL") to verify your identity, eligibility, and/or driving privileges with merchants, government entities, law enforcement, and other requesters in lieu of presenting your physical state-issued credential pursuant to Maryland law. MDOT MVA reserves the right to update these Terms at any time and without notice as permitted by law, and your continued use of this mDL constitutes agreement to all such changes.

Use of the mDL

Adding your state-issued credential. A Credential can be added to the Digital Wallet by following the instructions of the Digital Wallet provider. You will only be eligible to create your mDL and add your mDL to the Digital Wallet if you have been issued a physical credential by the State of Maryland, and your Credential is valid. If the mDL has already been added to the Digital Wallet, MDOT MVA may remove the mDL if your Credential has been expired for more than one (1) year or if it has been cancelled, suspended, or revoked.

Maryland law requires that a physical Credential be issued to all applicants that qualify for issuance of a Credential, and upon election of the applicant, an mDL may be issued. The mDL will not be the only form of Credential issued to you. **A physical Credential may be required to be presented in certain circumstances, including but not limited to, interactions with law enforcement.**

Adding your Credential to the Digital Wallet enables you to use the mDL wherever it is accepted. **MDOT MVA does not control the use or acceptance of the mDL beyond its use at MDOT MVA.** The mDL may not be accepted at all places where the physical Credential is required.

By submitting information to MDOT MVA to add your Credential to the Digital Wallet, you agree that you are not impersonating another individual, collecting information about another individual, or violating any state or federal laws. Knowingly submitting false, or fraudulent information may result in civil and/or criminal penalties. Fraudulent use of the mDL may result in civil and/or criminal penalties for the user.

Terms that apply. In addition to these Terms, you agree that when you use the Digital Wallet, you will remain subject to the terms and conditions of your Digital Wallet provider. You understand that those terms and conditions with the Digital Wallet provider may be separate from these Terms and that MDOT MVA is not a party to those terms with the Digital Wallet provider. The terms and conditions of the Digital Wallet provider may provide restrictions and limitations which may impact your use of the mDL, and such restrictions and limitations may be separate and distinct from these Terms with MDOT MVA.

You agree that only your mobile device service carrier or Digital Wallet provider is responsible for its products and services. Although the MDOT MVA is the provider of the mDL, MDOT MVA has no control over the use of the Digital Wallet. MDOT MVA is not responsible for the security or function of the Digital Wallet or any third-party products or services utilized by the Digital Wallet provider.

Suspension/removal of mDL. MDOT MVA reserves the right to discontinue offering or supporting the mDL or the Digital Wallet for any reason. Unauthorized use of the mDL, including, but not limited to, unauthorized use of or entry into MDOT MVA systems, misuse of information or security credentials, is prohibited and will result in suspension, cancellation, or revocation of your mDL. You may not use the

mDL in any fraudulent or misleading manner. Upon learning of any violation of these Terms or any federal or state law related to the use of the mDL or related physical Credential, MDOT MVA may suspend, cancel, or revoke the mDL at any time without notice. You agree that MDOT MVA will not be liable to you or any third party for any suspension, cancellation, or revocation of the mDL. Suspension, cancellation, or revocation of the mDL may or may not affect the status of your physical credential.
