Date: June 2, 2025
Bulletin: All Dealers and Tag and Title Agencies
From: Business Licensing and Compliance
RE: Duplicate Title Portal Transaction

Purpose

To advise dealers and tag and title agents of a delay to the deployment of the new portal transaction.

Summary

The MVA released a bulletin regarding “Requests for Duplicate Titles” on May 23, 2025. This bulletin outlined a new process to request duplicate titles via the Business Portal that would require no documents.

Due to unforeseen development challenges, this new function is not yet available for use. MVA will send an update once the transaction has been successfully deployed and is available for use on the Business Portal.

If you have any questions, please contact Thomas Stottlemire- tstottlemire@mdot.maryland.gov.

Want to learn more about electronic titling?

We recently held two virtual town halls to talk about electronic titling. If you missed the town halls (or just want to watch it again), the recordings are available on MVA’s [Dealer/Title Service Bulletin webpage](#). We presented the same information at both town halls but recommend watching the May 12, 2025 recording.

If you have any questions or comments about e-titling please reach out to Shanequa Richards-Marks (srichardsmarks@mdot.maryland.gov) or Tim Batts (tbatts@mdot.maryland.gov).
