**Date:** January 6, 2026  
**Bulletin:** All Tag and Title Agencies  
**From:** Business Licensing and Compliance  
**RE:** Fraud Training Requirements

## Purpose

This bulletin is to inform the tag and title industry that the Fraud Training offered by the MVA Investigations Division will now be required for all **NEW** tag and title representatives.

## Summary

Starting January 1, 2026, any newly licensed tag and title representatives will need to register for, and attend, the monthly fraud training class at the MVA headquarters in Glen Burnie.

As a general practice, a newly licensed tag and title representative should attend the training scheduled for the following month after the new license was issued and approved. For example, if an agent's license is issued in January, the agent should take the January class if there is still room or the February class. If the newly licensed agent is unable to attend that session or the class is full that month, the agent must register for the following month's class. If the agent does not take this required course, the agent's ERT privileges may be suspended and/or MVA may take further administrative action.

This training is also required if:

- If you held a previous tag and title representative license that was cancelled or expired, and you were issued a new license
- If you transfer to a new agency and have not taken the fraud training after January 1, 2026

## Monthly Fraud Training Schedule

The training will take place on the dates listed below and will run from 9am to 11am at MVA's headquarters located at 6601 Ritchie Highway, NE, Glen Burnie MD 21062. This is an in-person training. It cannot be completed virtually.

**Important things to remember:**
