RE: CS – 80 Inventory Stickers

The Motor Vehicle Administration (MVA) will have available for issuance, new CS-80 Inventory Stickers. The new stickers will begin with the letter "C" followed by 5 numeric (C00001-C99999) and will be issued after the "B" stickers have been exhausted.

As a reminder, please be sure to enter the alpha character when recording the inventory number. This will help to prevent the duplication of numbers in your inventory, RAPID, NMVTIS, etc. If you have any questions regarding this bulletin, please contact the Division of Business Licensing and Consumer Services by e-mail at mvablcsd@mva.maryland.gov. As always, we appreciate your cooperation regarding the issuance of the new stickers.
