RE: Excise Tax Credit for Electric Vehicles

Effective March 16, 2013, the excise tax credit for Plug-in Electric Vehicles will be discontinued until further notice. The funds for this program have been depleted and are no longer available.

Any Electronic Registration and Titling (ERT) transaction that has been pended or processed must be completed by midnight March 15, 2013. Transactions not completed or finalized by midnight may be subject to excise tax based on 6% of the purchase price of the vehicle.

Beginning March 16, 2013, Plug-in Electric Vehicles will not be allowed an excise tax credit and will be charged taxes based on 6% of the purchase price. If you have any questions concerning this bulletin, please contact Kevin Gamble at [kgamble@mva.maryland.gov](mailto:kgamble@mva.maryland.gov).
