

## D- 12-24-01

**Date:** 12/13/2024  
**Bulletin:** All Dealers and Tag and Title Agencies  
**From:** Business Licensing and Compliance  
**RE:** 8GH series plates

### Purpose

To inform the dealer and tag and title community of an issue with the **8GH** series plates currently in inventory.

### Summary

The Motor Vehicle Administration (MVA) has become aware of an inventory issue with plates that include the 8GH letter series in the inventory system. While the inventory labels on the boxes and the computer system have these plates listed with **8GH**, the plates were accidentally made with the letters showing as **8HG**.

If you have plates and boxes in the series **8GHxxxx**, please pull the plates out of your available inventory and mark them as “Damaged” in your ERT system. Please return plates to your nearest MVA Branch Office. There is no need to reach out to customers to offer replacement plates, the MVA will be in communication with the customer.
