Purpose:

To provide 3 Hour Alcohol and Drug Education Program Providers with access to the training sessions for the new 3 Hour Roadway Safety Driving Education Program curriculum.

Summary:

We will be conducting 6 training sessions, via Microsoft Teams, to introduce you to the new content in the program curriculum. These sessions will be conducted **from 10am-12pm** on:

- Tuesday, September 2nd
- Thursday, September 4th
- Tuesday, September 9th
- Thursday, September 11th
- Tuesday, September 16th
- Thursday, September 18th

The information in the new curriculum is a combination of information from the original 3 Hour ADEP and the current Driver Improvement Program (DIP). Instructors should already be familiar with this curriculum content.

Instructors may attend training with their providers, but questions will be limited to the provider.

You **must attend one training session** but may attend additional sessions. We will take attendance to ensure all program providers have attended at least one session.

A recurring meeting notice will be sent to the email address on file for each program provider. For your convenience, the meeting information is also below:
