**RE:** Driver Education Vehicle Age Change

## PURPOSE

To provide notice of changes to Code of Maryland Regulations (COMAR) 11.23.02

## SUMMARY

The Motor Vehicle Administration would like to inform you that COMAR 11.23.02 has been updated as published in the *Maryland Register* today indicating that effective as of July 8, 2025:

- The approved life of driver education training vehicles is being extended from seven (7) model years to eight (8) model years.
- Specially equipped training vehicles for rehabilitative instruction are exempt from this requirement.

To assist in calculating the allowable age of a vehicle, you must include the model year of the vehicle as the first year.

- Vehicle expiration dates by model year:

Model Year	Expiration Date
2018	12/31/2025
2019	12/31/2026
2020	12/31/2027
2021	12/31/2028
2022	12/31/2029
2023	12/31/2030
2024	12/31/2031
2025	12/31/2032
