RE: Instructor Trainer and Electronic System of Student Management Survey
Reminder

Purpose

This is a reminder that the Business Licensing and Compliance Division is conducting a survey to gain your input regarding instructor training in Maryland as well as the method you collect and retain your student records for the driver education program to include Classroom and BTW.

Summary

Please take a few minutes to log into the survey and answer the questions presented to most accurately reflect your thoughts on improving processes to best serve the industry and our clients.

Please note:

- Only one submission per school will be counted.
- This is a reminder that all submissions must be completed by Monday, June 30th, 2025.
