Information

The Motor Carrier Safety Act requires the owner of every vehicle with a registered or operation gross weight greater than 10,000 pounds and certain vehicles that are used primarily to transport passengers and have seating capacity for 16 passengers or more including the driver or were previously registered as a bus, to have each vehicle inspected, maintained and repaired at least every 25,000 miles or 12 months, whichever occurs first, and to provide written certification the vehicle(s) is/are maintained under a preventive maintenance program approved by the Maryland State Police Automotive Safety Enforcement Division.

Important Notice - All owners of vehicles 55,000 pounds and over

If your vehicle is registered with a gross weight of 55,000 pounds or over, U.S. Law requires you to produce proof of payment of the Federal Heavy Vehicle Use Tax before registration plates or renewal stickers can be issued. Your application for registration must be accompanied by a photocopy of your tax return Form 2290 Schedule 1, receipted by the Internal Revenue Service, or photocopies of your entire tax return (Forms 2290 and Schedule 1) and both sides of your canceled check. Proof of payment is not required for newly acquired vehicle registered within 60 days of date of purchase. Vehicles owned by Federal, State and Local Governments are exempt from this law.
