RE: Clarification on March 19th, 2015 Excise Tax Credit bulletin

All requests for Plug-in Electric Vehicle Excise Tax Credits, will be processed until the funds for this fiscal year are depleted. MVA will continue to accept applications for the excise tax credit until the end of fiscal year, even after the depletion of the fund.

The program for electric vehicle credits will be continued in Fiscal year 2016, beginning July 1st, 2015. All applications submitted to MVA prior to this date will be processed in the order in which they are received. Please alert your customers there **may** be a delay in processing their credit due to the replenishing of the fund for Fiscal year 2016.

For additional information please contact the MVA Refund Department at 410-768-7346.
