RE: Non- Commercial Driver's Skills test update

The purpose of this bulletin is to inform the Driver's Education community and the public that beginning Tuesday June 20th, 2023, the MDOT MVA examiner will be inside the vehicle for the entire duration of the skills test once the Vehicle Inspection has been completed, and the vehicle is considered safe for testing. The MDOT MVA examiner will enter the vehicle and will remain inside for the duration of the On The Course portion of the test as well as continuing onto the Road Course portion.
